

Commercial Real Estate Developers

Pease International Tradeport

FOR IMMEDIATE RELEASE

Renee Riedel-Plummer, Vice President of Marketing at Two International Group, is proud to announce that Irving Oil's US Marketing group has moved into office space at 15 Rye Street on Pease International Tradeport. This Irving Oil team will oversee the company's new Override program. Override is a partnership between Irving Oil and retailers Shaw's Supermarkets and Dunkin' Donuts as well as Circle K convenience stores. The Override program is designed to let customers of these different businesses participate in a gas savings program at Irving Oil locations. Irving Oil is a family-owned and privately held energy processing, transporting, and marketing company headquartered in Saint John, New Brunswick, Canada. Irving Oil serves wholesale, commercial, and retail customers in Eastern Canada, Quebec, and New England. According to Ms. Riedel-Plummer, "Irving Oil is a wonderful addition to our already impressive tenant list, and we are happy to have them here at Pease International Tradeport."

Two International Group is a leading commercial real estate development company with numerous buildings on Pease International Tradeport and in downtown Portsmouth, NH. For more information, please visit www.twointernationalgroup.com
